

Target Zero Update Discussion Questions

- What do you think the 2019 Target Zero should address about Washington State tribes' current traffic safety work and issues?
- Is there anything that should change about the process of developing the tribal content in the 2019 edition?
- What sort of risks and opportunities do you see facing the 2019 Target Zero?
- How and when should Scott and Katherine communicate with you as the Target Zero process moves along? What would you like to know about?
